

FINANCIAL AGREEMENT

MATT LAWYER DDS

We are committed to providing you with the best possible care. If you have dental insurance, we are happy to help you receive your maximum benefits. In order to achieve this, we need your assistance and we want you to understand our policy concerning insurance matters.

Once we have collected the amount you owe at the time of service, we will then submit your claim to your PRIMARY INSURANCE CARRIER ONLY. No secondary or dual insurance claims will be filed. **It is our office policy to bill your insurance company as a courtesy to you, although you are ultimately responsible for the entire balance.** Once your insurance company is billed, we will set aside the portion to be paid by your insurance carrier for 30 DAYS. If your carrier does not remit payment within 30 days, the balance in full will be due from you. The remainder of the balance you are responsible for will be subject to a finance charge. Should a balance be left unpaid for longer than 90 days, legal action will be taken and all fees, charges and court costs will be your responsibility.

Payment for services rendered may be made by cash, check or credit card and is due at the time of service.

All returned checks will be subject to additional fees.

Please be aware of the following:

1. Your insurance is a contract between you, your employer and your insurance company.
2. Our fees are considered usual and customary for the area, and we are within acceptable range for most insurance companies.
3. Not all services are a covered benefit in all contracts. Some insurance companies select certain services that will not be covered.

We encourage you to **read your insurance policies.** If you do not understand the policies, speak with your agent or employer. We must emphasize that as a dental provider, our relationship is with **YOU**, not your insurance company.
