

TREATMENT AGREEMENT

Matt Lawyer DDS

_____ is accepted as a patient for preventive and/or restorative care in the practice of Carothers Parkway General Dentistry, PLLC. We will strive to make the overall experience as pleasant as possible. We are committed to providing dental care that directly addresses the patient's special needs, concerns or problems. We expect that the patient take an active role in his/her care. This means, that the patient promises to ask questions whenever needed in order that they may better understand the treatment being provided. The patient also agrees to strictly follow the pre-treatment and post-treatment instruction/recommendations in order to maximize treatment results.

If insurance is involved, we will help you receive your maximum allowable benefits. In order to achieve this goal, we need your assistance and understanding. Your dental insurance policy is a binding agreement between you and your insurance company. You will be responsible to inform our office of any policy changes. We will be glad to submit your claims on your behalf to your primary carrier in order that you may receive full benefits for services or treatment rendered. However, payment for services rendered in full is expected at or before your scheduled visit.

It is further understood that unforeseen situation may arise following the initiation of treatment, which could alter the course and/or cost of treatment. If this occurs, it is understood that all parties involved will agree upon and necessary changes prior to continuing with treatment.
